

General Information

Support Information:

- We will have a rider meeting to answer questions 8:00 p.m. Friday evening.
- Packet pickup: Friday 3 p.m. to 7 p.m., Saturday 7 a.m. to 9 a.m.
- Average Temperatures: Days – 70's, Nights – 50's. Possibility of rain.

Pets are not allowed: If you have a pet, boarding is available at several veterinary facilities in Live Oak and Madison.

Good Things:

- Safari staff will be available to provide assistance throughout the event.
- Your ride packet will include information about the surrounding area.
- All camping equipment and luggage will be transported for six-day riders. Limit 2 bags.
- There will be two, 100-mile Century rides offered. A commemorative pin will be given to riders who complete a century ride.
- Parking will be provided free of charge at Live Oak. Sufficient parking is NOT available at Cherry Lake.

Riding Rules:

- Use of an approved helmet is required any time on the bike.
- Headphones are prohibited while riding.
- Plan to average at least 10 miles per hour, or leave the campsite early enough to finish riding by 4:00 pm
- Riders taking unscheduled side trips will be on their own.

The 30th Florida Bicycle Safari will be held **April 17-22, 2010**. Come join us for a springtime bicycling adventure that features six days of supported rides over some of the best cycling roads in North Florida and South Georgia. The six-day Safari is limited to 250 participants. A three-day option is also available for those whose schedules do not permit riding the full tour.

The first three days will be based at the Suwannee County Fairgrounds in Live Oak. Different routes will be offered each day with several mileage options, including a century on Sunday.

Monday, while the three-day cyclists loop back to Live Oak, six-day riders head north past the town of Madison. The Safari will camp at the Cherry Lake campground for three nights. A different route will be featured each day, again with several mileage options, and will include a century on Tuesday.

All Safari routes are staffed throughout the day with well-marked SAG wagons, while a mechanic-on-wheels will also be driving the routes for minor repairs and emergency adjustments. Rest stops providing drinks, snacks, sandwich provisions, and fruit will be set up approximately every 18 to 25 miles.

Maps/Cue sheets of the routes will be provided at check-in and all routes will be clearly marked. The luggage for the six-day riders will be transported by Safari trucks.

Registration fees include camping facilities and meals. For those on the six-day Safari who would rather not “rough it”, a limited number of primitive dormitory-style cabins are available on the last three days for an additional fee on a first-come, first-served basis.

Motels are located within 15 miles, but are not included in the registration fee. See event website for more information.
